Bicycling Routes

Bicycle routes shown on this map reflect designated bikeway classifications combined with cyclist suggested routes.

1

-  **Class I - Bike Path**
Provides a completely separated right of way for the exclusive use of bicycles and pedestrians with cross-flow traffic minimized. The trails are marked and landscaped. Fencing encourages use of designated access points.
-  **Class II - Bike Lane**
Provides a striped lane for one-way bike travel on a street or highway. Bike lanes are marked with signs and pavement striping.
-  **Class III - Bike Route**
Provides for shared use with pedestrian or motor vehicle traffic. Bike routes are marked with signs.
-  **Additional cyclist suggested routes**
Routes compiled by cyclists suggesting preferred routes.
-  **Less preferred**
Routes of any color that may be less preferable due to high traffic volumes or other conditions.
